GRASSELLO LUCIDO

The most noble and refined
Venetian palace culture.

A man in a tuxedo is shown in profile on the left side of the frame, looking towards a blue textured wall that fills the background. The lighting is soft, highlighting the texture of the wall and the man's features.

HYPER GLASS on **CALCE BAROCCO** + Velatura Minerale

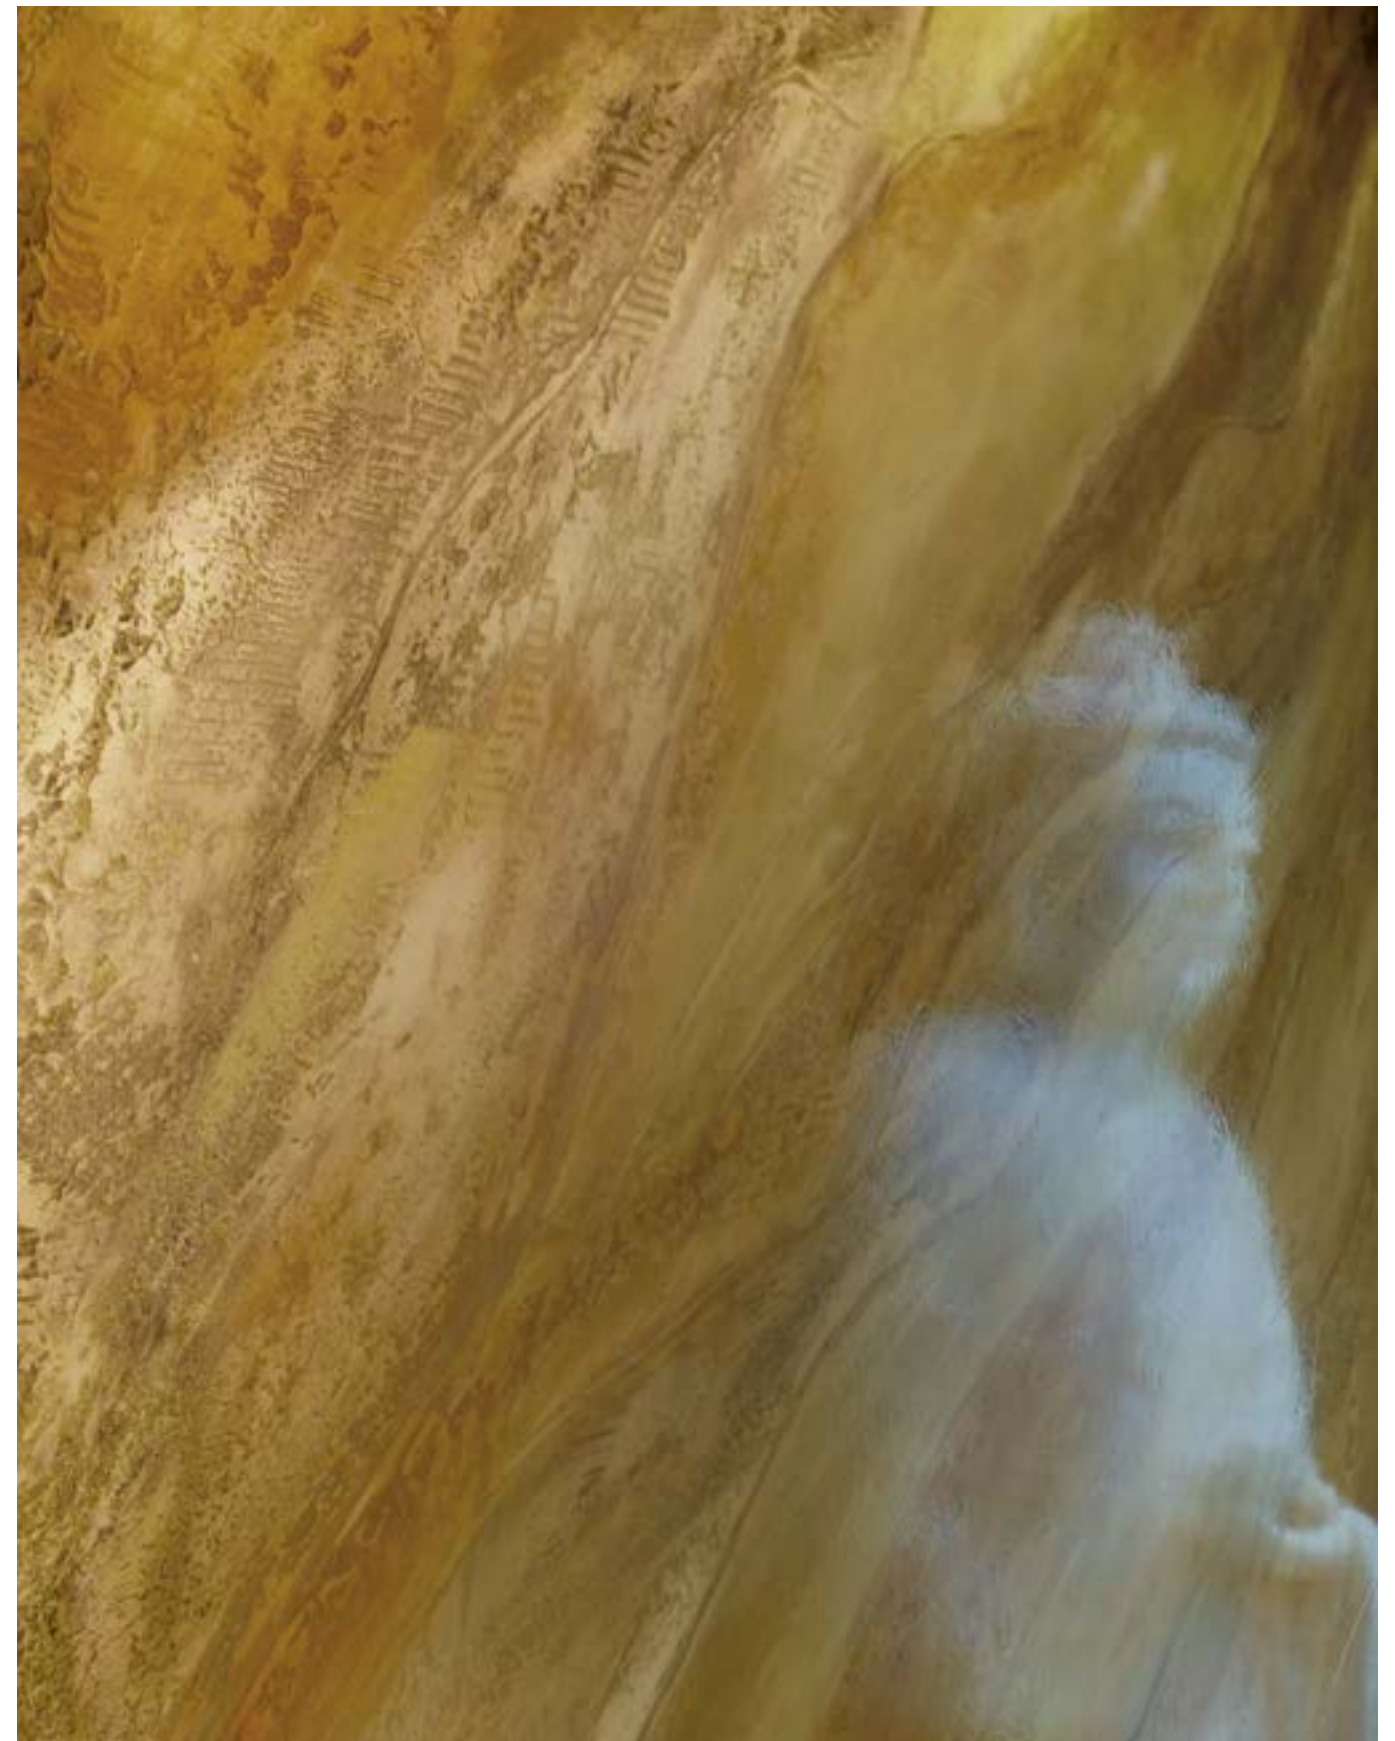

On top a surface of handgraved
CALCE BAROCCO
we applied with a sponge and a brush
VELATURA MINERALE
in three colors.

The surface was primed with **PURE VARNISH MONO**
and has been completed with
2 coats of **HYPER GLASS**
to make it vitrified and suitable
for humid environments.
