SETA

Metallic

Seta Metallic è un'elegante finitura ad effetto metallescente che assume un tocco cangiante e vellutato a seconda dell'incidenza della luce.

E' composta da resine speciali e pigmenti metallizzati in dispersione acquosa.

Questa finitura esprime al meglio il suo carattere nelle atmosfere di stile classico e nelle ambientazioni di design.

Seta Metallic is an elegant decorative finish with an exclusive metallic effect that shimmers and glazes, according to the incidence of light.

It's a composition of special resins and metallic fillers in aqueous dispersion.

This wall finish shows its best character in classical and prestigious settings.
